Membership Renewal and Board of Directors Ballot

May 31, 2020

Dear A.B.S.A. Member,

It's that time of year again to close out the 2019-2020 year for the club and to renew memberships for the next year.

ANNUAL MEMBERSHIP: The Board of Directors are pleased to announce for the third straight year, there are no membership fee increases! The 2020-2021 Single Member Annual Membership fee is \$75, and the fee to add a legal spouse is only an additional \$25. However, if you participated one of the club's work parties during the 2019-2020 membership year, you will be given a credit of \$25 off your Annual Membership fees, which reduces your Annual Membership fee to \$50. If this applies to you, you will receive an email stating that you have attended the work party and are entitled to a \$25 credit on your annual membership fees. This work party credit program will continue in the upcoming 2020-2021 year as well. Please return your membership renewal and all fees by June 30, 2020.

CLUB COMMUNICATION: The Board wants ensure that you get the club related information. The club has a new Facebook account to share information with you. Please search for Alder Brook Sportsmen's Association. If you do not use Facebook, please use this address to read club emails
https://groups.google.com/forum/#!forum/absa_listserv1/join

WORK PARTY: As a reminder, the work parties start up again in May, and will occur on the 3rd Saturday of the month starting at 8:00AM throughout the spring, summer and fall. For more information, please check out the Club's website or contact one of the Board members for additional details. This is a great way to help keep the Club's property in good condition and also a great way for you to earn a \$25 credit toward your annual membership fee.

INDOOR RANGE: Significant upgrades have been made to the indoor range. The backstop has received reinforcement and indoor range members may now use copper jacketed ammo with energy rating less than 500 ft-lbs! In addition to that, several cosmetic improvements have been made including bright white paint, new lighting, and new tables. The Indoor Range fee will remain at \$50 per year and \$25 for a legal spouse. Your membership fees go toward maintaining the indoor range and other improvements.

TRAP HOUSE: The Club will relocate the trap house up to the skeet range in order to improve the shotgun shooter's experience to limit interruptions and improve safety by moving the trap away from the rifle range. Expect the Sunday morning trap league to start up again in May. Keep an eye on the Club calendar for details.

SECURITY: COMING SOON, THE CLUB WILL HAVE A NEW ELECTRONIC AUTOMATIC SECURITY GATE WITH A MEMBERSHIP BADGE CONTAINING A RADIO-FREQUENCY IDENTIFICATION CHIP. You have probably used gates like this at a campground where you stay in your vehicle as you pull up next to the gate, flash your badge at the gate and the gate will automatically open and closed behind you as you drive through. The indoor clubhouse lock and the long range gate will also be accessed with the badge, based on your membership level. In addition to this, the club is upgrading its security camera system to include high definition cameras that can read see license plates and upgraded night vision throughout the property. After you renew your 2020-2021 membership, you will receive your new RFID badge and instructions on how to use it.

1100 YARD RANGE: The long range has been a huge hit this past year. The club has hosted a number of competitions and league events over the past year. We expect to continue to host more competitions throughout the upcoming year. There are dozens of steel targets from 525 yards out to 1100 yards.

LEAGUES: Please check out the Club's website for current information. Some of the leagues that are hosted at the Club include:

- **Indoor Pistol Gallery Shoot** on Wednesday evenings
- **Skeet Shooting** on Tuesday evenings
- **Trap shooting** on Sunday mornings
- **22 Marksmen Challenge:** The last Sunday morning of the month

MEETINGS:

- This is a member-driven club and you have an opportunity to attend the monthly membership meetings the last Thursday of the month at 6:00 PM. This is your opportunity to discuss anything Club related that's on your mind. The Club looks forward to seeing you at the next members meeting.
- The **Annual Membership Meeting** for Election Ballots count will be held at the Clubhouse, on Thursday, August 27, 2020 at 5:00 PM. **A Board of Directors Meeting** will follow the membership meeting. There is a lot going on with the club and the Board of Directors wants your input. It's YOUR club and now is the time for your input and suggestions.
- Below, you will find a voting ballot for Board positions. There are open Board positions at this year's annual meeting. Please vote for 5 Board members or write in name.

ELECTRONIC TRANSACTIONS: The Club now has a means to securely process electronic transactions. You can submit your membership renewal either with a traditional paper check, or you can pay with a credit card.

DONATIONS: As you can see, the Board has been very busy working to improve your membership experience. The Board tries to keep your membership fees as low as possible by controlling expenses, maintaining the property, using volunteer work parties, and providing the Club's members with additional opportunities for our common shooting-sports passion. If you enjoy seeing the Club grow and provide its members with additional investments, please consider donating to help further support your Club.
