Membership Renewal and Board of Directors Ballot

May 31, 2022

Dear A.B.S.A. Member,

It's that time of year again to close out the 2021-2022 year for the club and to renew memberships for the next year.

ANNUAL MEMBERSHIP: Let's start off with some good news; there are no fee increases for this upcoming year! In fact, the Board has voted to reduce some fees to add spouses to the indoor range and to the long range. The 2019-2020 Single Member Annual Membership fee is still \$75, and the fee to add a legal spouse is only an additional \$25. To add a spouse onto your indoor membership, the fee to add a spouse has decreased to \$25 (down from \$50) and the fee to add a spouse to your long range membership has decreased to \$50 (down from \$100). If your spouse has not received official orientation, then of course, your spouse will need to receive the Club's orientation as with all new members. The Club is a family oriented venue and the Board wants to meet its mission to ensure your spouse can enjoy the facility with you.

If you participated one of the club's work parties during the 2021-2022 membership year, you will be given a credit of \$25 off your Annual Membership fees, which reduces your Annual Membership fee to \$50. If this applies to you, you will see a sticker on you renewal submission form stating that "You may deduct \$25 off your total dues since you attended a work party." The Board has voted to continue with this work party credit during the upcoming 2022-2023 year as well. All fees are due by June 30, 2022.

Note: We no longer send out new RFID card every year. The card you currently own will remain in service For as long as you continue to renew your membership. If renewal dues are not received by the end of the Membership year, the card will be deactivated. Upon receipt of dues, the card will be reactivated.

WORK PARTY: As a reminder, the work parties started up again in May, and will occur on the 3rd Saturday of the month starting at 8:00AM throughout the spring, summer and fall. For more information, please check out the Club's website or contact one of the Board members for additional details. This is a great way to help keep the Club's property in good condition and also a great way for you to earn a \$25 credit toward your annual membership fee.

INDOOR RANGE: The Indoor Range fee will remain at \$50 per year. Your membership fees go toward maintaining the indoor range. The backstop wall will now **allow the use of full metal jacket ammunition**. This is a significant upgrade as the Board heard from multiple members who want to use FMJ ammo, and this has been in place since 2019! A committee was formed to plan a remodel of the clubhouse interior.

TRAP HOUSE: The Club has installed a new trap machine and it is in good working order. The Sunday morning trap league started up again in May. Keep an eye on the Club calendar for details.

SECURITY: The Club is upgrading its security camera system throughout the premises to ensure that the Club is a safe place for its members, guests.

1100 YARD RANGE: The long range has again been a huge hit this past year. There are a number of targets placed at varying distances from 500 yards and scattered out to the 1100 yard. The club is hosting long range competitions throughout this summer and fall.

LEAGUES: Please check out the Club’s website for current information, but some of the leagues that are hosted at the Club include:

- **Indoor Pistol Gallery Shoot** on Wednesday evenings
- **Skeet Shooting** on Tuesday evenings
- **Trap shooting** on Sunday mornings
- **22 Marksmen Challenge:** The last Sunday morning of the month
- **Minuteman Precision Rifle League (Long range centerfire)** Check calendar for events

MEETINGS:

- This is a member-driven club and you have an opportunity to attend the monthly membership meetings the last Thursday of the month at 6:00 PM. This is your opportunity to discuss anything Club related that’s on your mind. The Club looks forward to seeing you at the next members meeting.
- The Annual Membership Meeting for Election Ballots count will be held at the Clubhouse, on Thursday, August 25, 2022 at 5:00 PM. A Board of Directors Meeting will follow the membership meeting. There is a lot going on with the club and the Board of Directors wants your input. It's YOUR club and now is the time for your input and suggestions.
- Below, you will find a voting ballot for Board positions. There will be 4 vacant Board positions at this year’s annual meeting. Please vote for 4 Board members or write in names.

ELECTRONIC TRANSACTIONS: The Club now has a means to securely process electronic transactions. You can submit your membership renewal either with a traditional paper check, or you can pay with a credit card. The Club also can accept PayPal transactions. If you want to pay your dues with PayPal, please go onto the Club’s website to find the PayPal link. Once you pay your dues, please record the PayPal confirmation transaction number on the payment method (next page).

DONATIONS: As you can see, the Board has been very busy working to improve your membership experience. The Board tries to keep your membership fees as low as possible by controlling expenses, maintaining the property, using volunteer work parties, and providing the Club’s members with additional opportunities for our common shooting-sports passion. If you enjoy seeing the Club grow and provide its members with additional investments, please consider donating to help further support your Club.
